**Subject:** 4/6/16 Telework Check Out

Dee,

Checking out at 4:30 p.m. I worked on everything anticipated, with the exception of addressing any U&O FIP comments from OGC. As of 4:30 p.m. it does not appear that Elliott or Lorie have accessed the document on SharePoint, unless they did and downloaded it to their own files for review and comment.

Thanks,

Claudia
